

Bovie Screen Process Printing Co., Inc.
Perfection in Printing Technology Since 1950

Labels, Decals

- Doming
- Roll Labels
- Sheet Labels
- Foil Stamping
- Digital
- Tamper Proof
- Sequential Numbering
- Pin Fed
- Thermal Transfer
- Barcoding
- Weather Proof
- Tamper Evident
- Pressure Sensitive
- Pre-space/Pre-mask
- Warning Labels
- Epoxy Hard Coating
- Germ-Gate Antimicrobial Coating
- Control Panel Overlays
- Flexible Printed Circuits
- Force Sensing Circuits
- Pillow Keys
- Touch Screens

Overlays, Membrane Switches

- Custom Color Matching
- Prepress Services
- Metal Dome and Polydome
- LED, EL and Fiber Backlighting
- Embossing and Debossing
- Forming and Folding
- Die, Laser and Sheer Cutting
- Lamination
- Doming and Selective Doming
- Selective Texture
- Colored LED Windows
- Plastic Fabrication
- Die Cutting
- High Temperature Marking
- Back Lit Panels
- CNC Cutting
- Laser Cutting
- Digital Printing
- Pad Printing
- Displays
- Fluorescent Ink Printing
- Plastic Signage
- Military Specification Markings
- Nameplates and Serial Numbered Plates
- Warning Plates
- Transfer Printing on Products
- Wire and Cable Markers
- Printing on Curved and Cylindrical Surfaces
- Printing on Customer Supplied Parts
- Silicone Rubber Keypads
- Gaskets and Insulators
- Conductive Ink Printing
